Corporate Contributor License Agreement for 5G-MAG repositories

<https://www.5g-mag.com/reference-tools>

Thank you for your interest in the Reference Tools of the 5G Media Action Group (5G-MAG) Association (the "Association"). In order to clarify the intellectual property license granted with Contributions from any entity, the Association must have a Corporate Contributor License Agreement ("CCLA") on file that has been signed by any such entity (the "Corporate Contributor"), indicating agreement to the license terms below. This license is for your protection as a Corporate Contributor as well as the protection of the Association and its users; it does not change your rights to use your own Contributions for any other purpose.

If you have not already done so, please complete and sign, then scan and email a pdf file of this Agreement to Eva Markvoort (markvoort@5g-mag.com). Please read this document carefully before signing and keep a copy for your records.

You accept and agree to the following terms and conditions for Your present and future Contributions submitted to the Association. In return, the Association shall not use Your Contributions in a way that is contrary to the public benefit or inconsistent with its nonprofit status and bylaws in effect at the time of the Contribution. Except for the license granted herein to the Association and recipients of software distributed by the Association, You reserve all right, title, and interest in and to Your Contributions.

1. Definitions.

"You" (or "Your") shall mean the copyright owner or legal entity authorized by the copyright owner that is making this Agreement with the Association. In case of group of companies, the entity making a Contribution and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single Corporate Contributor. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"Contribution" shall mean any original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You to the Association for inclusion in, or documentation of, any of the products owned or managed by the Association (the "Work"). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Association or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Association for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

2. Grant of Copyright License.

Subject to the terms and conditions of this Agreement, You hereby grant to the Association and to recipients of software distributed by the Association a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.

3. Grant of Patent License.

3.1 For study, testing and research purposes only and subject to the terms and conditions of this Agreement, You hereby grant to the Association and to recipients of software distributed by the Association a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) license to make, have made, use, and transfer (excluding selling) of the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work ("Essential Patents") to which such Contribution(s) were submitted. If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that Your Contribution, or the Work to which you have contributed, constitutes direct or contributory patent infringement solely due to study, testing and research of the Work, then any patent licenses granted to that entity under this Agreement for that Contribution or Work shall terminate as of the date such litigation is filed.

3.2 For purposes other than study, testing and research under clause 3.1, and subject to the terms and conditions of this Agreement, You are prepared to grant a license of Your Essential Patents on fair, reasonable and non-discriminatory ("FRAND") terms and conditions to any user of Your Contribution or a portion thereof for use of that Contribution or portion thereof in the Work.

3.3 You shall use reasonable endeavours to inform the 5G-MAG Association of Essential Patents related to Your Contribution(s) alone or by combination of Your Contribution(s) with the Work in a timely

fashion. In particular, by submitting a Contribution, You shall, on a bona fide basis, draw the attention of the 5G-MAG Association to any of Your patent(s) related to Your Contribution(s) alone or by combination of Your Contribution(s) with the Work which might be Essential Patents if that Contribution is accepted.

3.4 The obligations pursuant to section 3.3 above do however not imply any obligation on You to conduct patent searches.

4. You agree that the licenses granted under sections 2 and 3.1 of this Agreement may be sublicensed by a licensee of the 5G-MAG Public License provided that the sublicense is subject to and inclusive of all the terms of and rights under the 5G-MAG Public License to which the Work is or was distributed by the Association.

5. You represent and warrant that, as a Corporate Contributor, You have secured all necessary rights and permissions from Your employees and any other affiliated persons whose work may be included in your Contributions. This includes ensuring that Your company holds appropriate intellectual property rights to such Contributions, either through employment agreements, assignment of rights, waivers, or other means, so that the licenses granted under this Agreement are valid and enforceable. In addition, You confirm that (i) to the best of Your knowledge, Your Contributions do not infringe upon or misappropriate any third-party intellectual property rights, including but not limited to patents, copyrights, or trademarks, and (ii) Your Contributions are not subject to any encumbrances, restrictions, or obligations that would prevent the Association from exercising the rights granted under this Agreement.

6. You represent that each of Your Contributions is Your original creation (see section 7 for submissions on behalf of others). You represent that Your Contribution submissions include complete details of any third-party license or other restriction (including, but not limited to, related patents and trademarks) of which you are personally aware and which are associated with any part of Your Contributions.

7. You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing, You provide Your Contributions on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.

8. Should You wish to submit work that is not Your original creation, You may submit it to the Association separately from any Contribution, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which you are personally aware, and conspicuously marking the work as "Submitted on behalf of a third-party: [named here]".

9. You agree to notify the Association of any facts or circumstances of which you become aware that would make these representations inaccurate in any respect.

10. You acknowledge that You have read the terms and conditions of the 5G-MAG Public License attached to this Agreement and You agree that this CCLA shall in no event be interpreted in any way preventing the performance by the Association of the 5G-MAG Public License or restricting the scope of the 5G-MAG Public License.

11. The present license shall be solely governed by the laws of Switzerland, without any reference to (a) any conflicts of law principle that would apply the substantive laws of another jurisdiction to the parties' rights and duties, (b) the 1980 United Nations Convention on Contracts for the International Sale of Goods, or (c) other international laws. The parties consent to the personal and exclusive jurisdiction of the ordinary courts of the Canton of Geneva, Switzerland.
